

UNIVERSITÀ DEGLI STUDI  
DEL SANNIO Benevento

DST

DIPARTIMENTO DI SCIENZE E TECNOLOGIE

Dottorato di Ricerca in Scienze e Tecnologie per l'Ambiente e la Salute

## **GIORNATE SCIENTIFICHE DEL DST** ***Advanced Research in Chemical Sciences***

### **Introduction**

*Prof. Giuseppe Graziano, DST, Università degli Studi del Sannio.*

### **Synthesis and Evaluation of Performance Additives for Lubricating Oil**

*Prof. Pranab Ghosh, Department of Chemistry, University of North Bengal, INDIA.*

### **Triterpenoids – A potential bioactive phytoconstituent:**

#### **Isolation, characterization and their transformative reaction**

*Prof. Pranab Ghosh, Department of Chemistry, University of North Bengal, INDIA.*

### **Hydrothermally synthesized (N,O) – linked Cu(II) based Metal-Organic Hybrid Complexes:**

#### **Synthesis, Structural characterization and Potential applications**

*Prof. Biswajit Sinha, Department of Chemistry, University of North Bengal, INDIA.*

### **Discussion, Q & A**

*Prof. Daniela Pappalardo, DST, Università degli Studi del Sannio.*

**MONDAY 25<sup>th</sup> MARCH 2024 h 11.00**

**AULA 5 CUBO**

**Via Dei Mulini, BENEVENTO**
